

References

References consulted included Louis R Manarin's, *A Guide to Military Organizations and Installations, North Carolina, 1861-1865* for in quite a few cases the company commander's name was used in place of the unit designation. References also included Walter Clark's *Histories of the Several Regiments and Battalions from North Carolina*, (Wilmington: Broadfoot Publishing Co., 1996). I have indicated the source volume as well as several other sources consulted to verify names or units; these are also listed in the **References** column as follows:

Guide - *A Guide to Military Organizations and Installations, North Carolina, 1861-1865*, Louis R Manarin

NCT- *North Carolina Troops, 1861-1865, A Roster*, compiled by Louis R Manarin and Weymouth T. Jordan, (Raleigh: Department of Archives and History, 1990).

M&S - *Medical and Surgical History of the Civil War*

CS - *Roster of Confederate Soldiers, 1861-1865*, edited by Janet B. Hewitt (Wilmington: Broadfoot Publishing Co., 1995).

NCS - *North Carolina Soldiers, 1861-1865*, edited by Janet B. Hewitt (Wilmington: Broadfoot Publishing Co., 1999).

WP - *The Papers of Major General W.R. C. Whiting*; date, chapter and volume are given.
